University Community,

I am pleased to share the 2019–2024 Strategic Plan as part of our continuing effort to transform the lives of students through the ceaseless pursuit of excellence at A&M-Commerce. Created by the Lion community for the Lion community, this document outlines our university’s foundational principles, strategic priorities and goals.

The Strategic Plan is meant to serve as a broad and dynamic structure, used by colleges, departments and other groups to produce corresponding plans that support the goals of the university. It will serve as a framework to guide our forward progress, ensuring that every decision we make is consistent with our principles and priorities.

As we reflect on what we have accomplished in the past 130 years at this institution, let’s build on our past strengths and use the 2019–2024 Strategic Plan as a guide to our future.

Sincerely,

Dr. Mark Rudin
