

RETURN TO CAMPUS CHECKLIST FOR ALL STUDENTS

WHILE AT HOME

- Complete online training provided by the University regarding returning to campus.
- [Self-screen daily](#) before going to any group (class, function, event, etc.) for any of the following new or worsening symptoms of possible COVID-19. Check the [CDC website](#) or your healthcare provider for the most current information.
 - Cough
 - Chills
 - Shortness of breath or difficulty breathing
 - Repeated shaking with chills
 - Muscle pain
 - Loss of taste or smell
 - Feeling feverish or measured temperature greater than or equal to 100.0 degrees Fahrenheit
 - Diarrhea
 - Known close contact with a person who is lab confirmed to have COVID-19
- Sore throat
- If experiencing any symptoms listed above, **DO NOT** come to school or gather. Contact Student Health Services for guidance and notify your professors of the situation. After contacting Student Health Services, notify EOC (eoc@tamuc.edu) of suspected or confirmed COVID.
- If you test positive or are [exposed](#) to a positive (being within 6 ft. for more than 15 minutes), please notify the University by completing the form on the Texas A&M University System COVID-19 [Reporting Portal](#).
- If you received a positive test, a negative test is required to be submitted [here](#) before returning to class and other functions. An email stating you are cleared will be sent to you for you to forward to your faculty, resident advisor, etc.

WHILE ON CAMPUS

- Rigorously practice hand hygiene, cough etiquette, cleanliness, and sanitation. Wash or disinfect hands while on campus and after any interaction with other students, other individuals, or shared items.
- Maintain at least 6 feet separation from other individuals. If such distancing is not feasible, other measures such as wearing a cloth face covering (over the nose and mouth) is required for your protection as well as theirs.
- Continuously self-screen for the symptoms listed above. If you begin to show symptoms, notify your faculty and quarantine at home or in your dorm immediately. Limit contact with other individuals on campus and contact Student Health Services for further guidance. After contacting Student Health Services, notify EOC (eoc@tamuc.edu) of suspected or confirmed COVID.
- If you test positive or are exposed to a positive (being within 6 ft. for more than 15 minutes), please notify the University by completing the form on the Texas A&M University System COVID-19 [Reporting Portal](#).
- Wear a mask in community spaces (library, lounges, etc.) .If exercising, do so in a mask, individually or maintain 6' minimum distance
- Avoid large gatherings of more than 10 people.
